

## Purchase of tokens for submission of advance cargo information to Belarus

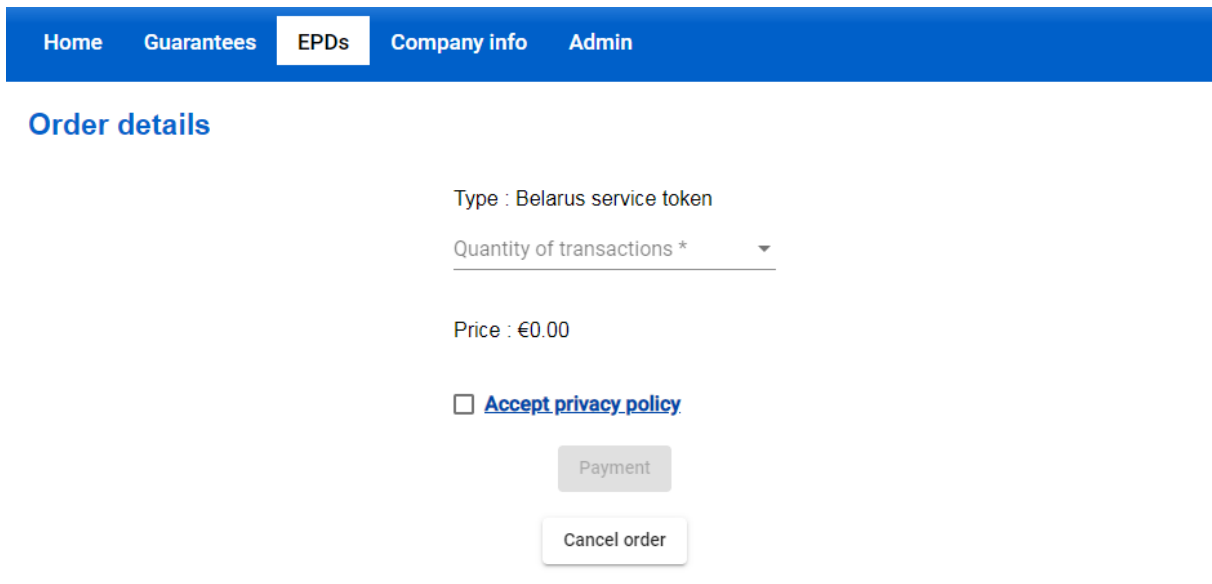

When sending the advance cargo information to Belarus, you can purchase the tokens allowing you to submit 5, 10 or 20 EPD's.

1. Purchase button and the current balance are located on Home page of application. Please click on *Purchase now* to proceed:

The screenshot shows the application's home page. At the top, there is a blue navigation bar with 'Home', 'EPDs', 'Company info', and 'Admin' menus. Below the navigation bar, the main content area is titled 'Welcome to IRU TIR-EPD'. On the left, there is a section for 'EPDs & customs replies' with a table header containing 'Carnet #', 'From', and 'Message'. The table is currently empty, displaying the message 'You don't have messages'. On the right, there is a 'Current balance' section, which is highlighted with a red box. It shows 'Belarus service token' with a value of '0' and a 'Purchase now' button. Below this, there is a 'Shortcuts' section with three items: 'Create new EPD', 'View recent messages from customs', and 'Add a new Consignor / Consignee'.

2. Please choose the quantity of transactions, accept the privacy policy by ticking the corresponding box, and proceed with the payment:

The screenshot shows the 'Order details' page. At the top, there is a blue navigation bar with 'Home', 'Guarantees', 'EPDs', 'Company info', and 'Admin' menus. Below the navigation bar, the main content area is titled 'Order details'. It displays the following information: 'Type : Belarus service token', 'Quantity of transactions \*' (with a dropdown arrow), and 'Price : €0.00'. There is a checkbox labeled 'Accept privacy policy' which is currently unchecked. At the bottom, there are two buttons: 'Payment' and 'Cancel order'.

You can also cancel the order at every step of the purchase.
